Parmly Billings Library, 510 N Broadway, Billings
3rd Floor

Thursday, April 15, 6:30 pm

Huntley Project School, 1477 Ash Street, Worden
Elementary School Cafeteria

Knowledgeable staff from FEMA, DNRC, City of Billings, City of Laurel, and Yellowstone County will be available to talk with you one-to-one about:

- Why FEMA is modernizing the flood risk maps in Yellowstone County
- Where the flood risks are in our communities and the county
- How the new floodplain maps will affect you and your property
- How to get involved in the map review and adoption process
- When the new maps will take effect
- What you can do to reduce the cost of flood insurance

Current floodplain maps and the new preliminary floodplain maps will be available for viewing at these outreach meetings, online at <http://www.co.yellowstone.mt.gov/mapping/des.asp> and also at these floodplain offices, Monday – Friday, 8:00am to 5:00pm.
